

The World's Most Trusted Pool Finishes®

Pebble 
Technology®
INTERNATIONAL

A reputation for excellence, integrity and support

Since 1987, Pebble Technology International® (PTI) has been a driving force in the transformation of the pool building and remodeling industry. PTI maintains its leading position with an unwavering reputation for high quality products, outstanding customer support and dedicated sales & technical teams. With over 30 years of history, it is no surprise that the brand is recognized by so many.

Offered in 4 distinctive textures, with an expansive color selection, our finishes allow you to achieve a wide range of water colors. Further customize your finish by adding one of our many pool finish enhancements or incorporate unique glass tiles from our Finishing Touches® Tile Collection. With Pebble Technology products, you can truly create a beautiful outdoor environment.

Our Newest Finish

A blend of vibrant glass beads and natural stone aggregate. The stunning beauty of the glass beads creates an infusion of color delivering a captivating finish and a uniquely brilliant water color.

- This distinctive blend offers long-lasting durability with a lavish texture
- Fortified with proprietary additives providing a uniform composition and vivid color
- All colors incorporate Shimmering Sea 🐚 for added elegance

PebbleTec®
The Original

The ORIGINAL aggregate pool finish that delivers enduring elegance and durability. It is a perfect choice for those desiring a more natural environment for their pool or spa.

- An earthy textured finish comprised of the largest pebbles in our product offering
- Further enhance your finish by adding Shimmering Sea 🐚 and Luminous 💡

PebbleSheen®

Refined Textured Finish

Our most popular pool finish offering the same natural beauty and inherent qualities as the original PebbleTec pool finish with a more refined texture.

- Utilizes slightly smaller pebbles than those found in PebbleTec
- Further enhance your finish by adding Shimmering Sea and Luminous
- Certain colors incorporate Shimmering Sea for added elegance

PebbleFina®

Enduring Smooth Finish

This exclusive product line, made from our smallest natural pebbles, is enriched with additives that provide superior strength and long-lasting durability over a traditional pool finish.

- Offers the smoothest texture in our product offering
- This finish provides a tone-on-tone effect with a subtle pebble exposure
- Our unique technology provides increased density and resistance to etching caused by fluctuations in water chemistry
- Certain colors incorporate Shimmering Sea and Stardust for added elegance and sparkle

Stardust™

Reflective Pool Finish Additive

A unique blend of nature's most brilliant minerals that sparkle and produce a reflective mirrored effect on the water's surface. This enhancement is specially formulated for PebbleFina finishes.

Remarkable Quality, Durability & Value

Create an inviting ambiance by incorporating a fire and water feature into your outdoor living area. With superior engineering and craftsmanship, each product is uniquely designed with the highest quality materials to provide exceptional performance and deliver long-lasting durability.

- All bowls are offered in 5 versatile styles and 3 shapes with the choice of hammered copper or cast stone
- Scuppers available in 3 styles and a variety of sizes
- Decorative media also available

Pool Finish Enhancements

Only the Best

From our premium products and inspirational tools, to custom pool designs and quality installations, our network of preferred builders and authorized applicators help you achieve an incredible outdoor environment.

The World's Only FIVE STAR FINISH

Premium Products

PTI searches far and wide for the highest quality, naturally tumbled stones. From New Zealand to Chile, we bring premium pebbles to you from around the world; from riverbeds and beaches to quarries and shorelines. Once the perfect stones are found, we use a time-tested and quality controlled manufacturing process to deliver the purest rocks available. Each stone is screened to achieve size consistency for a uniform pool finish texture. In addition, proprietary additives are used to fortify our unique formulas bringing an enhanced durability to our naturally beautiful finishes.

Unparalleled Customer Support

PTI is here for you. We have a long-standing commitment to customer satisfaction by providing a dedicated team of experts that strive to support our customers. Our team is quick to assist you whether you need help in selecting the right finish, finding a pool builder or authorized applicator in your area or need resources for on-going pool maintenance.

Installations by Authorized Applicators

Each of our applicators has been hand-selected and put through a rigorous onboarding process to provide the most talented and skilled professionals to install our finishes. This nation-wide network of applicators, licensed by PTI, is the only group that has exclusive rights to purchase our products and use the PTI brand name. To keep them up-to-date on new methods and techniques, our dedicated quality control and R&D teams offer ongoing education and training.

Dedicated Quality Control and R&D Teams

We are proud of our industry-leading quality control technicians and R&D teams. These teams support our authorized applicators across the country on technical matters as well as provide in-depth product knowledge and on-site pool finish installation and maintenance expertise.

The Most Comprehensive Protection Plan

PTI offers the most comprehensive protection plan in the industry. This includes warranty details, start-up and maintenance procedures as well as other important information to help preserve the aesthetic beauty of your pool finish. Homeowners have the comfort of knowing they are covered by our dedicated and experienced team of experts.
